Melksham & Bradford on Avon Neighbourhood Policing Teams – Rural Beats

We understand that often those living in our more rural communities can feel isolated.

As a Community Policing Team we are committed to engaging with residents in our local villages and talking about the issues affecting those living and working there.

The aim of Neighbourhood Policing is to have a dedicated policing team in your local community. We are here to work with you to tackle local concerns raised by you. We work with residents and local agencies to improve your quality of life.

There are 4 Police Constables currently attached to the Melksham & Bradford on Avon Neighbourhood Policing Teams- two per town. Whilst these officers are predominantly responsible for the Town patches, each constable has been given a rural geographical area of responsibility.
